

COME HAVE My BALL's AT THE BROOKE

10TH - 15TH JUNE 2012

First Newsletter and Entry Form

Greetings to all Nomads from Harare.

Your 31st National committee are now hard at work planning the event which takes place in just over six months time. We will be playing at Zimbabwe's premier wetland course, the Brooke. The 6438 metre layout was designed by Peter Matkovich and winds through the picturesque countryside. It offers a variety of shots from varying lies, over the many water features to well guarded Bent grass greens.

The course is a bird watchers paradise with over 150 species of wet and dry land birds. We also hope birdies of the other variety will also be in abundance.

The club is about 15 kilometres from the city centre and under 30 kilometres from Harare international Airport.

Accommodation

The course is in close proximity to Pandhari lodge and there are numerous lodges and B & B's in the area. A list of all accredited accommodation with email addresses will be forwarded shortly. Shuttles will run from these designated hostelrys to the Course

Ladies

Daily functions are planned for the ladies with a registration breakfast, pamper day, a tour to a wildlife rescue centre and other events are planned. A ladies newsletter will be sent which will provide a full list of all tours and activities. Any ladies wishing to play golf will be catered for and options will be circulated with this news letter.

Entertainment

We will have evening entertainment with a bumper theme night. For you're after golf pleasure we will have a bar and eatery behind the final green where the music will play and the atmosphere will be electric.

Meals

Vouchers will be available at registration for meals for accompanying spouses and meals not included in your entry. The club has its own restaurant with breakfast and light meals being served on the veranda. These purchases can be paid for on club swipe cards which will be issued at registration for you to top up when necessary.

Off Day

Wednesday will be an off day for all. Those wishing to play golf will be catered for and your options will be advised in due course.

Looking forward to seeing you all at the Brooke

Yours in Nomads

John Clark
